Mat Hoffman Endorsement

My name is Mat Hoffman, President of the IBMXFF (International BMX Freestyle Federation). I organize and invite the athletes to the ESPN X-Games competitions. I also founded and own Hoffman Bikes and rode as a professional BMX Freestyle athlete for over 25 years.

I would like to share my thoughts about the living BMX legend Dave Voelker. To put it short, Dave Voelker is BMX! The success of BMX was planted in the roots Dave has fostered throughout his career.

I have had the honor and opportunity to work with Dave while building some of the most successful shows throughout my career. For example, Dave's talent helped create a show of mine that he starred in at Universal Studios in Orlando, Florida. For 5 years this show had the highest ratings that Universal Studios had ever seen. This was a direct result of Dave's professional attitude and unparalleled stage presence and delivery. Dave Voelker is the best all-around performer our sport has ever seen and he continues to progress and shine to this day.

I can't endorse Dave "The LORD" Voelker enough. If you're looking for someone who can deliver your audience more than you ever thought possible, even single-handed, he's your man.
